### REFERENCE

**Sukhal Patel**  
Ghardailo Dairy Co. / CEO  
**Phone:** +977 9802903008  
**Email :** [sukhalpatel@gmail.com](mailto:sukhalpatel@gmail.com)

### PROFILE

I'm a frontend developer with a passion for building minimalist, clean, and responsive websites. I code with HTML5, CSS3, Tailwind CSS, JavaScript (ES6), and React, and I'm learning Next.js, GSAP, and Locomotive to add smooth interactions and animations. I like solving problems, figuring out new software, and improving with every project that I make.

### WORK EXPERIENCE

**Ghardailo Dugdh Dairy Co.** MAY 2025 – OCT 2025  
Web Developer Intern | Graphic Designer

- Designed and developed visually appealing, responsive, and user-friendly websites that deliver a great user experience.
- Created creative and consistent graphic designs that strengthen the brand's visual identity across digital platforms.
- Applied technical and creative skills together to build digital solutions that meet both design and functional goals.
- Continue learning modern tools, frameworks, and design trends to enhance efficiency and stay current in the digital field.

### PROJECTS

**Image toolkit** ([view live](#))  
A one-stop solution for images without any credit limits and sign-in.

**Fintrack** ([view live](#))  
An advanced expense tracker app with individual user sign-in and data visualization.

**View more on github** ([Open github](#))
